

Concrete Hoppers

Concrete Hopper - This attachment is a self-dumping hopper which automatically activates to unload as soon as bumper release contacts the side of a dumpster. As soon as unloading is done, the hopper goes back to a locked and upright position. This piece of machinery likewise comes together with a cable that allows operation from the seat of the lift truck so as to have the choice of manually dumping the hopper. There is a locking chain provided to secure the hopper to the fork truck. This particular product is made with reliable and consistent robotic welds for maximum strength. The lift truck dumping hopper also has a blue powder coat finish to be able to maintain durability.
