

Trek Parts

Trek Parts - TREK Cleaning Machines is a machine maker who is passionate about the cleaning industry. The company's founders, Jim Hartsock, Chris Knowlton and Bob O'Hara, have more than 60 years combined experience with effectively designing, developing, marketing, manufacturing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their customers and are devoted to giving new design concepts and top quality so as to meet the diverse needs of their clients.

In their product development; TREK Cleaning Machines always offers fresh design concepts. They enjoy offering products that energize both their partners and their dealers and provide production gains to their clients.

The TREK team of workers likes new tasks and new challenges. They are really proud to launch its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the understanding of operators' requirements and skills together with their knowledge of cleaning applications, together with owners' strong desire to significantly lessen expense through productivity gains.

When considered necessary, the workers within TREK and its several dealer members in both parts and in technical support would be obtainable. Amongst their core values is their high service dedication in their customer service. Keeping their clients' cleaning machinery ready and functioning day by day is top priority. The company's top of the line technology delivers dependable machinery which eventually lessens your cost of cleaning. The service, the product and the price all work together to make them the leader in the business.
