

American Lincoln Parts

American Lincoln Part - Presently associated with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machines. In the business they are recognized in the business as providing durable and strong machinery that meets the requirements of larger infrastructure and heavy industry. Products made in the United States; the sales are conducted nation- wide via direct Government sales, national accounts, and authorized distributors.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk-behind model of floor scrubber. Clark has their manufacturing facilities located in Springdale Arkansas. These scrubbers are on the market under the brand name "Encore". American Lincoln could provide components, warranty service and equipment for these kinds of scrubbers which carry both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice machine of huge distribution centers such as Target and Wal-Mart. The 7765 line has earned the respect of numerous facility supervisors where efficiency and results count. Recently, this floor scrubber model has been utilized by the architects in different construction jobs like for example Home Depot's and Lowes Home Improvement Stores. Flooring contractors make use of this sweeper scrubber on location because of the model's utmost performance level and excellent quality for polishing concrete.
